INDEPENDENT AUDITOR'S REPORT

To the members of

SOMERSET WEST COMMUNITY HEALTH CENTRE

We have audited the accompanying financial statements of Somerset West Community Health Centre, which comprise the statement of financial position as at March 31, 2017 and the statements of operations and changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting described in note 2 to the financial statements, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Somerset West Community Health Centre as at March 31, 2017 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting described in note 2 to the financial statements.

Basis of Accounting

Without modifying our opinion, we draw attention to note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist Somerset West Community Health Centre to meet the requirements of the Ministry of Health and Long-Term Care. As a result, the financial statements may not be suitable for another purpose.

1. GOVERNING STATUTES AND PURPOSE OF THE ORGANIZATION

Somerset West Community Health Centre ("the Centre") is incorporated under the Corporations Act of Ontario as a not-for-profit entity without share capital, and pursuant to the provisions of the Income Tax Act (Canada), is a registered charity. The primary purpose of the Centre is to provide assistance to the residents of West-Central Ottawa in their achieving of optimal health and social well-being, and to so do by way of comprehensive community-based programs, in the context of building healthy families and communities.

2. BASIS OF ACCOUNTING

These financial statements have been prepared in accordance with certain significant accounting policies set out below, to comply with the Community Health Centre reporting requirements of the Ministry of Health and Long-Term Care (MOHLTC) of Ontario. As per below, the basis of accounting used in these financial statements differs materially from Canadian accounting standards for not-for-profit organizations.

Capital assets and related amortization

In previous years, capital assets other than land and building were expensed in the Operating Fund in their year of purchase. As of April 1, 2012 the Centre began capitalizing all significant capital assets purchased in the current year.

Accrued vacation pay and overtime

Vacation and overtime entitlements earned but not taken by employees are not reflected in these financial statements. Unrecorded vacation and overtime liabilities as at March 31, 2017 approximate \$130,000 (\$139,000 in 2016).

3. SIGNIFICANT ACCOUNTING POLICIES

Fund accounting

The Centre's activities are reflected in the following funds:

Operating Fund

Assets, liabilities, revenue and expenses relating to Centre's day-to-day operations are recorded in the Operating Fund.

Special Projects Fund

Revenue and expenses relating to special projects, as defined by the Board of Directors, are recorded in the Special Projects Fund.

Building Fund

Expenses relating to the land and building from which the Centre operates are recorded in the Building Fund.

Welch LLP®

3. SIGNIFICANT ACCOUNTING POLICIES - Cont'd.

Revenue recognition

The Centre follows the restricted fund method of accounting for capital contributions, relating to the Centre's land and building, which are presented in the Building Fund, and follows the deferral method of accounting for all other restricted contributions. The Centre is funded, primarily by the Province of Ontario, in accordance with budget arrangements established by the Ministry of Health and Long-Term Care. Operating grants are recorded as revenue in the period to which they relate. Grants approved but not received at the end of an accounting period are accrued. Where a portion of a grant relates to a future period, it is deferred and recognized in that subsequent period.

Other unrestricted contributions, donations and sponsorships are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Investment income is recognized as it is earned.

Financial instruments

i) Measurement of financial instruments

The Centre initially measures its financial assets and its financial liabilities at fair value and subsequently measures them at cost or amortized cost.

ii) Transaction costs

Transaction costs associated with the acquisition and disposal of investments are capitalized to the acquisition costs or reduce proceeds on disposal.

Capital assets

Land, building and vehicle are recorded at cost. The buildings are amortized using the straight-line method, over their estimated useful life of 40 years. The vehicles are amortized using the straight-line method, over their estimated useful life of 5 years.

Contributed services

A substantial number of volunteers contribute a significant amount of their time each year to the Centre. Due to the difficulty in determining fair value, contributed services are not recognized in these financial statements.

Legislative grants

The legislative grant calculations are prepared annually by the Centre and submitted to the different Ministries and the City of Ottawa for final approval and may be subject to a separate funder audit of the financial records of the Centre. Adjustments, if any, are recorded in the year they are made by the funder.

Accounting estimates

The preparation of financial statements in accordance with the basis of accounting described in note 2 requires management to make estimates and assumptions that affect the amounts recorded in the financial statements and notes to financial statements. These estimates, including amortization of capital assets are based on management's best knowledge of current events and actions that the Centre may undertake in the future. Actual results may differ from these estimates.

4. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

The Centre's financial instruments are subject to the following risks, substantially unchanged from the prior year unless otherwise noted.

The Centre does not use derivative financial instruments to manage its risks.

Credit risk

The Centre is exposed to credit risk resulting from the possibility that parties may default on their financial obligations. The Centre's maximum exposure to credit risk represents the sum of the carrying value of its cash and its accounts receivable. The Centre's cash is deposited with a Canadian chartered bank and as a result, management believes the risk of loss on this item to be remote. The Centre manages its credit risk by reviewing accounts receivable aging monthly and following up on outstanding amounts. Management believes that all accounts receivable at year end will be collected.

Liquidity risk

Liquidity risk is the risk that the Centre cannot meet a demand for cash or fund its obligations as they become due. The Centre meets its liquidity requirements by preparing and monitoring detailed forecasts of cash flow from operations, anticipated investing and financing activities and holding assets that can be readily converted into cash.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk.

i) Currency risk

Currency risk refers to the risk that the fair value of instruments or future cash flows associated with the instruments will fluctuate relative to the Canadian dollar due to changes in foreign exchange rates.

The Centre's financial instruments are all denominated in Canadian dollars and it transacts primarily in Canadian dollars. As a result, management does not believe it is exposed to significant currency risk.

ii) Interest rate risk

Interest rate risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate due to changes in market interest rates.

The Centre's exposure to interest rate risk arises from the amount owing on its long-term debt rate. However, since this rate is fixed until 2040, management believes its exposure to interest rate risk is negligible.

iii) Other price risk

Other price risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate because of the changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all similar instruments traded in the market.

The Centre is not exposed to other price risk.

Welch LLP[®]

5. CAPITAL ASSETS

The Centre's capital assets consist of the following:

	2017				2016							
		0	Accumulated				Accumulated				NI - 1	
		<u>Cost</u>	a	mortization		<u>Net</u>		<u>Cost</u>	<u>a</u>	mortization		<u>Net</u>

6. LINE OF CREDIT

The Centre has an authorized line of credit in the amount of \$250,000 which was not utilized at either of March 31, 2017 or 2016. This facility bears interest of prime plus 0.25% annually and is secured by a general security agreement.

7. DEFERRED GRANTS AND CONTRIBUTIONS

Deferred grants and contributions represent unexpended restricted resources received in the current year, related to operating expenses of a subsequent period or to non-executed services.

8. LONG-TERM DEBT

The Centre has financed the acquisition and renovations of 30 Rosemount Avenue in the form of a mortgage from the Ontario Infrastructure and Lands Corporation. The mortgage bears a fixed rate of interest of 3.5% and matures in 2040. The mortgage is being repaid using a base increase in funding from the Champlain Local Health Integration Network. Included in buildings and grounds expense is \$164,227 (2016 - \$125,600) of interest paid on the mortgage.

This credit facility is secured by:

- Blanket first ranking charge/mortgage on the 30 Rosemount and 55 Eccles street properties (net book value at March 31, 2017 of \$8,636,718);
- First ranking general security agreement registered site specific on both 55 Eccles and 30 Rosemount properties;
- First ranking assignment of rents and leases on both 55 Eccles and 30 Rosemount
- Assignment of construction rights agreement;
- Assignment of material contracts;
- Assignment of builders all-risk insurance;
- Title insurance in favour of the lender;
- Certificate of property insurance over the property with the lender shown as first loss payee; and;
- Rights of deduction pursuant to the Ontario Infrastructure and Lands Corporation Act, 2011.

8. LONG-TERM DEBT - Cont'd.

In addition, the Centre is required to maintain a minimum annual Debt Service Coverage Ratio of 1.1x that will be confirmed when the construction loan is converted to the term loan and annually thereafter. The Centre must also maintain a cash balance in the Special Projects Fund greater than \$100,000 as a capital expenditure fund for the property.

Principal payments over the next 5 years are estimated to be as follows:

2018	\$ 131,160
2019	135,825
2020	140,656
2021	145,659
2022	150,840

The Centre has also financed a van with a carrying value of \$47,125. The financing bears interest at a fixed rate of 5.49% and is repayable over 5 years with fixed monthly payments totalling \$9,664 annually until 2020.

9. FUNDS HELD IN TRUST

The Centre administers select pooled funds on behalf of the Executive Directors of the ten Community Health Centres in the Champlain Local Health Integration Network.

10. GRANTS AND CONTRIBUTIONS

11. EMPLOYEE BENEFIT PLANS

The Centre is a member of the Healthcare of Ontario Pension Plan, which is a multi-employer, defined benefit pension plan. Employer contributions made to the plan amounted to \$592,065 (2016 - \$577,452) and are included in salaries and benefits in the statement of operations and changes in fund balances. The most recent actuarial valuation of the plan at December 31, 2016 indicates that the plan is fully funded.

12. INTERFUND TRANSFERS

In accordance with Board policy, periodic transfers for special projects are made between the Special Projects Fund and the Operating Fund. Any surpluses in the Operating Fund are transferred to the Special Projects Fund at the end of the subsequent year.

13. COMMITMENTS

The Centre has entered into long-term agreements totaling \$113,151 which expire on various dates between April 2017 and March 2021 and which require minimum payments for the rental and maintenance of office equipment. The minimum payments for the next five years are \$43,337 in 2018, \$41,985 in 2019, \$24,625 in 2020, and \$3,204 in 2021.

14. SERVICE CONTRACT APPROVAL

The Centre has a Service Contract Approval with the Ministry of Children and Youth Services. A reconciliation report summarizes, by service (detail code), all revenues and expenditures and identifies any resulting surplus or deficit that relates to the Service Contract Approval.

A review of this report shows the following services to be in a surplus (deficit) position as at March 31, 2017.

Detail Code	Project Code Name	Surplus <u>(Deficit)</u>
A556 & A356	C52893-8/A3	<u>\$ -</u>

15. **BUDGET INFORMATION**

Budget information approved by the Board of Directors, has been presented for information purposes only, and is unaudited.

16. **COMPARATIVE FIGURES**

Comparative figures have been reclassified where necessary to conform to the presentation adopted for the current year.
